

### **Steps On how to register with WPTA/TSA for the 2015/2016 Season FOR ATHLETES**

Registration is for the period 1 September 2015 till 31 August 2016

Registration is only done through the WPTA recognised clubs. **You cannot enter directly on the TSA website.** See WPTA CLUB listing below.

The athlete must reside within the boundaries of the Western Cape.

If an athlete wishes to change clubs from the previous season, they must receive a clearance letter from the previous clubs BEFORE joining another one. (Forward clearance letter to new club)

Steps:

- Contact the club you wish to register with. ***You will be paying both the club fee and the WPTA fee directly to the club.***
- Your profile must be registered with MOBII, if not your WPTA /TSA registration cannot be completed and you cannot be transferred to TSA. Transfer of athletes to TSA will be on a weekly basis.

**PREVIOUS MOBII/WPT2015 MEMBERS – YOU HAVE TO UPDATE YOUR PROFILE OR WPTA CANNOT ISSUE A WPT NUMBER. This is to ensure that all your details are up todate to pass on to TSA**

- Go to [http://: profile.mobii.com](http://profile.mobii.com)
- Sign in
- Edit profile and check all details are correct.
- Click on manage licence
- Tick box that adds to a sporting link
- put in western province triathlon, club and registration type ( IGNORE THE WPTNO – THIS IS ADDED IN AFTERWARDS BY WPTA)
- SAVE

This will activate your current licence in order for WPTA to issue a number.

#### **NEW MOBBII MEMBERS FOR THE 210 SEASON**

- Log onto: <http://profile.mobii.com/s/wpta>. Follow the prompts
- Please make sure you click on the WPTA affiliation and complete the “Licence” section as well.

#### **Registration cards from MOBII**

These cards are only to say that you have registered your profile with MOBII. **This is not a WPTA registration card** so are not valid at races as proof of membership. Updated lists will be provided to the race organisers on the day.

#### **Last minute registrations**

Please note that your club will be asked to send us confirmations of the registration on a weekly basis. We therefore suggest that you register with WPTA and your club at least 7 days prior to a race. If your registration is not received on time, you will need to take out a temporary licence for that race.

### **Temp Licence**

No Current 2014/2015 TSA/WPTA number or club SMS = buying a temporary licence

### **Temporary Licence Fees 2015/2016 season**

Sprint event: R 30.00

Olympic distance or long distance EG Ironman: R 100.00

Teams: R50.00 per team

**Please note that at events while racking your bike into the transition area WPTA officials will check if you have your WPTA sticker indicating that you have either a WPTA member or a temp licence. This licence must be purchased before the event at the WPTA table at registration. No sticker, no participation.**

**TSA/WPTA Registration options for the 2015/2016 season are as follow:-**

- Age groupers(20 and older in 2015) full TSA/WPTA licence R 450.00

NB: As from 1 January 2016 athletes ages will automatically calculated into their new age group category (See table below for age categories for 2016)
